5. tampilan data barang pada halaman admin

The screenshot shows a web browser window with the URL `localhost/kasir/admin/data-barang.php?h=tambah`. The navigation bar includes links for Dashboard, Barang, Petugas Kasir, Transaksi, and a red 'Keluar' button. The main heading is 'Tambah Data Stock Restoran'. Below the heading is a form with the following fields: a blue '← Kembali' button, a 'Nama' text input, a 'Jumlah' text input, a 'Jenis Barang' dropdown menu with the placeholder '-- Pilih Jenis Barang --', and a 'Harga' text input. A blue 'Tambah Data' button is located at the bottom right of the form. The Windows taskbar at the bottom shows the date as 16/02/2020 and the time as 16:38.

6. Tampilan halaman ketika sudah terisi

The screenshot shows the same web browser window, but the page displays a table of restaurant menu data. The navigation bar and heading are the same. The table has columns for No, Nama, Stok, Jenis, Harga, and Aksi. It contains four rows of data. Each row has three buttons in the 'Aksi' column: 'Detail' (blue), 'Edit' (green), and 'Hapus' (red). A blue '← Kembali' button is on the top left, and a blue 'Tambah Barang' button is on the top right of the table.

7. Tampilan halaman kasir ketika ada pembelian

The screenshot shows a web browser window with the title "Petugas Kasir". The address bar shows "localhost/kasir/petugas/index.php". The navigation bar includes "Dashboard", "Barang", and "Keluar". The main content area has a header "Petugas Kasir : radit". Below this, there is a form titled "Data Pembelian" with two input fields: "Nama" and "Jumlah". A blue button labeled "Input Transaksi" is positioned below the "Jumlah" field.

8. Rincian data pembelian

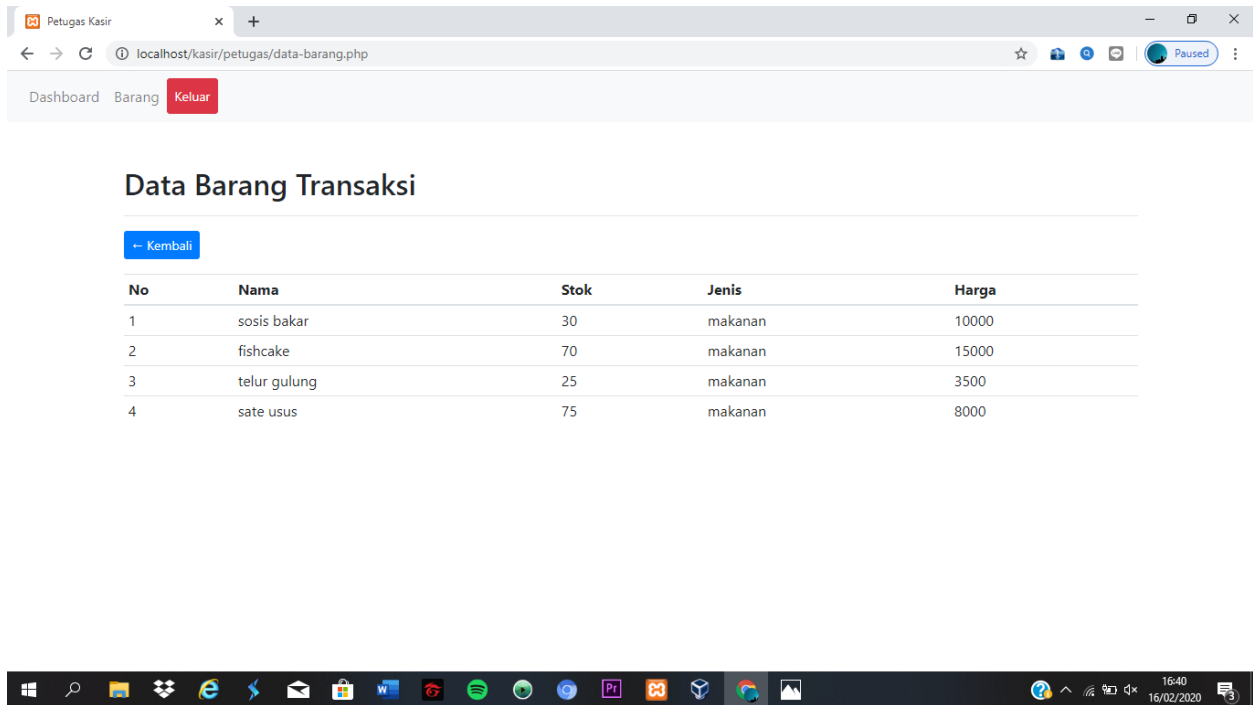

The screenshot shows the same web browser window as before, but the "Data Pembelian" section now displays a list of items purchased:

- sosis bakar (20 x 10000)
- fishcake (10 x 15000)
- telur gulung (15 x 3500)
- sate usus (25 x 8000)

Below the list, the total amount is displayed as "Total : Rp. 602,500". A green button labeled "Bayar" is positioned below the total amount.
